

PORT HOOD

LAND USE BY-LAW

PART 1 - TITLE

This By-law shall be known and may be cited, as the 'Land Use By-law' of the Port Hood Planning Area of the Municipality of the County of Inverness and referred to hereafter as the Port Hood Planning Area Land Use By-law and this By-law shall apply to all lands within the Planning Area.

PART 2 - ADMINISTRATION

Effective Date

1. This By-law shall take effect when approved by the Minister of Municipal Affairs for the Province of Nova Scotia

Prohibition

2. Subject to the provisions of the *Planning Act*, no development shall be carried out within the Plan Area, except in accordance with this By-law.

3. No development for which a development permit is required by this By-law shall commence or continue unless a development permit has been obtained to carry out the development.

4. Except when located in any Industrial Zone and unless otherwise stated in this By-law, no development permit shall be issued to erect more than one main building upon a lot.

Development Officer

5. The Council of the Municipality of the County of Inverness (herein after referred to as 'Council') which has adopted this Land Use By-law shall appoint a municipal development officer who shall be responsible for the administration of this Land Use By-law and the issuing of municipal development permits.

6. The Development Officer shall keep records of all applications received, permits and orders issued, inspections made, and shall retain copies of all papers and documents connected with the administration of this By-law, which shall form part of the public records of the Municipality of the County of Inverness.

Enforcement

7. The Council, by any duly authorized office or servant, shall have the right to enter at all reasonable times into or upon any property within the planning area for the purposes of an inspection necessary in connection with the administration of this Land Use By-law.

Permits

8. Subject to the provisions of the *Planning Act*,

a) Within fifteen days of receiving an application for a municipal development permit, the municipal development officer shall inform the applicant whether or not the application is complete.

b) Within thirty days of receiving a completed application, the municipal development officer shall either grant the municipal development permit, or inform the applicant of the reasons for not granting the permit.

9. Every development permit is valid:

a) for twelve (12) months from the date of issuing the permit;

b) upon the permit being renewed for a further twelve (12) months if construction has begun; or

c) if not commenced within twelve (12) months and is still proposed, a new application is to be made.

10. An application for a development permit shall:

a) be made in the form prescribed by the Town;

b) be signed by the owner or his/her agent;

c) state the intended use of the proposed development; and

d) provide any other information required by the Development Officer to determine whether the proposal meets the requirements of this By-law.

11. When necessary to complete the assessment of a proposed development, the Development Officer may require the applicant to submit, in duplicate, one or more of the following:

a) a survey plan of the lot showing the dimensions of the lot; said plan to be made and certified by a registered land surveyor licensed to practice in Nova Scotia; and

b) the position, height, and horizontal dimensions of all structures existing on the lot.

Penalty

12. Any violation of the *Planning Act* and provisions in force pursuant to the *Act* will be subject to the penalties established in the *Act*.

Costs for Advertising

13. Anyone applying for an amendment to this By-law or a development agreement shall deposit with the Clerk an amount estimated by the clerk to be sufficient to pay the cost of advertising required by the *Planning Act*. After the advertising has been completed, the applicant shall pay to the Clerk any additional amount required to defray the cost of the advertising, or if there is a surplus, the clerk shall refund the excess.

PART 3 - ZONES AND ZONING MAP

Zones

1. For the purpose of this By-law, the Port Hood Plan Area is divided into the following zones which may be referred to by the appropriate symbols.

| Zone | Symbol |
|-----------------------------|---------------|
| Residential Urban | R-1 |
| Residential Rural | R-2 |
| Residential Multiple Family | R-3 |
| Mobile Home Park | MHP |
| Commercial | C-1 |
| Commercial Highway | C-2 |
| Harbourfront Development | C-3 |
| Commercial General | C-4 |
| Marine Industrial | M-1 |
| Light Industrial | M-2 |
| Open Space | O-1 |

Zoning Map

2. The zone boundaries are shown on Schedule 'A'. The Schedule 'A' included may be cited as the 'Zoning Map' and is hereby declared to form part of this By-law.

Port Hood Zoning Map

Zones not on Maps

3. The Zoning Map of this By-law may be amended, in conformance with the Municipal

Planning Strategy, to utilize any zone in this By-law, regardless of whether or not such zone had previously appeared on the Zoning Map.

PART 4 - INTERPRETATION

Symbols

1. The symbols used on Schedule 'A', included herein, refer to the appropriate zones established by this By-law.

Defined

2. The extent and boundaries of all zones are shown on Schedule 'A', included herein, and for such zones the provisions of this By-law shall respectively apply.

Interpretation of Zoning Boundaries

3. Boundaries between zones shall be determined as follows:

- a) where a zone boundary is indicated as following a street or highway, the boundary shall be the center line of such street or highway;
- b) where a zone boundary is indicated as approximately following lot lines, the boundary shall follow such lot sizes;
- c) where a street, highway, railroad or railway right-of-way, electrical transmission line right-of-way, or watercourse is included on the zoning maps, it shall, unless otherwise indicated, be included in the zone on the adjoining property on either side thereof;
- d) where a railroad or railway right-of-way, electrical transmission line right-of-way or watercourse is included on the zoning map and serves a boundary between two or more different zones, a line midway on such right-of-way or watercourse and extending in the general direction of the long division thereof shall be considered the boundary between zones unless specifically indicated otherwise; and
- e) where none of these above provisions apply, and where appropriate, the zone boundary shall be scaled from the attached Zoning Map, Schedule 'A'.

Certain Words

4. In this By-law, unless otherwise clearly indicated:

- a) words used in the present tense include the future;
- b) words in the singular number include the plural, words in the plural include the singular number;

c) the word 'used' includes 'arranged', 'designed', or 'intended to be used'; and

d) the word 'shall' is mandatory and the word 'may' is permissive.

Permitted Uses

5. For the purposes of this By-law, if a use is not listed as a permitted use in any zone, it shall be deemed to be a prohibited use in that zone.

PART 5 - DEVELOPMENT AGREEMENTS

1. Pursuant to the applicable sections of the *Planning Act*, the following developments shall be subject to a Development Agreement.

a) On properties fronting on or having access to Highway No. 19 and the bypass, the following and similar types of uses may be permitted: service station and car wash, restaurant and take out restaurant, neighbourhood convenience store (not permitted as a home occupation) craft or gift shop, campground and associated uses, hotel, motel and associated uses, and a laundromat, by Development Agreement as provided for in Policy C-16 of Chapter 3 of the Municipal Planning Strategy.

b) On all lands zoned Residential Urban (R-1) or Residential Rural (R-2), the following and similar types of uses may be permitted: tourist cabins and tourist cabin establishments, by development agreement as provided for in Policy R-16 of Chapter 2 of the Municipal Planning Strategy.

Development Permits for Development Agreements

2. A Development Permit may be issued for a development listed in Part 5, Section 1 pursuant to the *Planning Act* provided:

a) the appeal period has lapsed or any appeals that may have been lodged have been dealt with by the Nova Scotia Utility and Review Board; and

b) the development conforms with the terms of the development agreement.

PART 6 - GENERAL PROVISIONS FOR ALL ZONES

These general provisions apply to all uses in all zones except where a specific zone or use is otherwise exempt.

Accessory Buildings

1. a) Accessory uses, buildings and structures shall be permitted in any zone within the Port Hood Planning Area but shall not:

i) be used for human habitation;

- ii) be located within the required front or side yard of a lot;
- iii) be built closer to the front lot line than the minimum distance required by this By-law for the main building on the lot. Where an accessory building is built on a corner lot, it shall be located in the rear yard or in the side yard which is not adjacent to the flanking street;
- iv) be built closer than 10 feet to any lot line
 - a) common semi-detached garages may be centred on the mutual side lot line; and
 - b) accessory buildings with no windows or perforations on the side of the building which faces the said lot line, may be located a minimum of 2 feet from the said side or rear lot line in any residential zone.
 - c) boathouses and boat docks may be built to the lot line when the line corresponds to the water's edge or is in the water;
 - v) exceed 750 square feet in total floor area;
 - vi) be built within 6 feet of the main building;
 - vii) be considered an accessory building if attached to the main building in any way; and
 - viii) be considered an accessory structure if located completely underground.
- b) Notwithstanding anything else in this By-law, drop awnings, clothesline poles, flag poles, garden trellises, fences and retaining walls shall be exempted from any requirements under Subsection a) of this section and section 14.

Accessory Uses Permitted

2. Where this By-law provides that any land may be used or a building or structure may be erected or used for a purpose, the purpose includes any use accessory thereto. Accessory buildings shall be permitted in all zones.

Building to be Erected on a Lot

3. No building shall be erected or used unless such building is erected upon a single lot.

Building to be Moved

4. No person shall move any building, residential or otherwise, within or into the area covered by this By-law without obtaining a development permit from the Development Officer.

Calculation of Lot Frontage

5. The following means shall be used for the purposes of determining lot frontage:

a) in the case of regularly shaped lots, lot frontage shall be measured as a straight line between the points where the two (2) side lot lines meet the front lot line;

b) in the case of irregularly shaped lots, lot frontage shall be deemed to be the horizontal distance between the side lot lines measured perpendicularly to a line joining the middle of the front lot line with the middle of the rear lot line, at a point equal to the minimum applicable front yard.

Existing Buildings

6. Where a building has been erected on or before the effective date of this By-law on a lot having less than the minimum frontage or area, or having less than the minimum setback or side yard or rear yard required by this By-law, the building may be enlarged, reconstructed, repaired or renovated provided that:

a) the enlargement, reconstruction, repair or renovation does not further reduce the yard that does not conform to this by-law; and

b) all other applicable provisions of this By-law are satisfied.

Existing Lots

7. Notwithstanding anything else in this By-law, the use of a building existing on a lot on the effective date of this By-law may be changed to a use permitted on the lot where the lot frontage, front yard, or area required or any two or all of these is less than the requirements of this By-law provided that all other requirements of this By-law are satisfied.

Existing Undersized Lots

8. Notwithstanding anything else in this By-law, a vacant lot held in separate ownership from adjoining parcels in existence prior to the effective date of this By-law, having less than the minimum frontage or area or both required by this By-law, may be used for a purpose permitted in the Zone in which the lot is located and a building may be erected on the lot provided that all other applicable provisions in this By-law are satisfied. In addition, where such lots are increased in size but remain undersized, they are deemed to be existing undersized lots.

Frontage on Street

9. No development permit shall be issued unless the lot or parcel of land intended to be used or upon which the building or structure is to be erected, abuts, fronts upon a public street or the lot is shown on an approved plan of subdivision.

Height Regulations

10. The height regulations of this By-law shall not apply to church spires, water tanks, elevator enclosures, silos, flagpoles, television or radio antennae, skylights, barns, chimneys, clock towers, power transmissions, lookout towers, satellite discs, windmills, wind turbines, and solar collector devices.

Home Occupations

11. Nothing in this By-law, except the Wellhead Protection Zone provisions (Section 30 of this

Part) shall prevent the use of a dwelling or accessory building in any residential zone for a home occupation including: personal service shops such as barber shops and beauty parlours; artisan workshops; bed and breakfast establishments; neighbourhood confectionary stores or professional offices; office for technicians such as plumbers and electricians and back yard mechanics who undertake minor repairs to motor vehicles and machines with small engines, ie. lawnmowers, chain saws, outboard motors, provided that:

- a) the dwelling and accessory building is occupied as a residence by the operator of the home occupation and the external appearance of the residence or accessory building is not changed by the home occupation;
- b) no more than twenty-five (25) percent of the total floor area of the dwelling is devoted to the professional or business use;
- c) one off-street parking space, other than that required for the dwelling is provided for every 200 square feet of floor space occupied by the business or professional use;
- d) there shall be no advertising other than a business identification plate or sign which has a maximum sign area of 10 square feet and which is attached to the main, or accessory building (but not both buildings) and provided also that the provisions of Part 6 are satisfied;
- e) no mechanical equipment is used externally except that reasonably consistent with the use of a dwelling, or accessory building; and
- f) no open storage or outdoor display shall be permitted.

Illumination

12. No person shall erect any sign or illuminate in an area outside any building unless such illumination is directed away from adjoining properties and any adjacent streets.

Licenses, Permits and Compliance with Other By-Laws

13. Nothing in this By-law shall exempt any person from complying with the requirements of the building by-law or any other by-law in force within the Municipality of the County of Inverness or from obtaining any license, permission, permit, authority or approval required by any other by-law of the Municipality.

Loading Space

14. a) For every building or structure to be erected or enlarged, or structure for manufacturing, storage, warehouse, department store, wholesale store, market, freight or passenger terminal, hotel, hospital, mortuary or other uses involving the frequent shipping, loading or unloading of persons, animals, or goods, unless there is maintained on the same premises with every such building, structure or use one off street space for standing, loading and unloading for every 30,000 sq. ft. or fraction thereof building floor area used for any such purpose to a maximum of six (6) loading spaces.

b) Each loading space shall be at least 12 feet by 40 feet with a minimum of 14 feet in height clearance.

c) No such loading space(s) shall be located within any required front yard.

d) Notwithstanding anything in this section, an undersized vacant lot which is situated in a commercial, waterfront or industrial zone, which cannot comply with these loading standards shall be allowed to be developed and the proposed development shall be exempted from this requirement.

Multiple Uses

15. Where any land or building is used for more than one purpose, all provisions of this By-law relating to each use shall be satisfied. Where there is conflict, such as in the case of lot size or lot frontage, the higher or more stringent standard shall prevail.

Non-Conforming Uses

16. Any use of land or a building or structure erected on the land which had begun on or before the effective date of this By-law and which does not conform to the requirements of this By-law shall be subject to the provisions laid out in Sections of the *Planning Act*. Refer to Appendix 'C' of this By-law for the appropriate sections of the *Act*.

One Main Building on a Lot

17. No person shall erect more than one (1) main building on a lot except for:

- a) buildings located in an Industrial Zone;
- b) buildings located in the Commercial and Commercial Highway Zone;
- c) accessory buildings;
- d) mobile homes in the Mobile Home Park (M-H) Zone; and
- e) cottage establishments in any zone in which they are permitted

Parking Area Standards

18. In any commercial, waterfront or industrial zone, where parking facilities for more than four (4) vehicles are required or permitted:

- a) the parking area shall be situated in the same zone;
- b) when the parking area is of a permanent hard surfacing, each parking space shall be clearly demarcated;
- c) driveway approaches to any parking area, other than that required for a single family dwelling, semi-detached, or a duplex dwelling shall be defined by a curb of concrete or rolled asphalt and the limits of the parking area shall be defined by

a fence, curb or other suitable obstruction designed to provide a neat appearance;

d) in addition, the location of driveway approaches shall be no closer than 15 feet from the nearest limits of the right-of-way at a street intersection;

e) entrance and exit ramps to parking areas shall not exceed two (2) in number and each ramp shall be a width of 25 feet at the street line and pavement edge;

f) the width of a driveway leading to a parking or loading area, or of a driveway or aisle in a parking area, shall be a minimum of 10 feet if for one-way traffic, and a minimum of 18 feet if for two-way traffic and the maximum width of a driveway shall be 25 feet; and

g) the parking area shall be maintained with a stable surface that is treated to prevent the raising of dust or loose particles; and

h) if lights are used for illumination of the parking lot, they shall be so arranged as to divert the light away from the street, adjacent lots of buildings.

Parking Standards for a Change of Use

19. Notwithstanding Section 20 of this part where a change of use is to occur to an existing commercial or industrial use and the new use is unable to comply with additional parking requirements, the additional parking requirements will be waived.

Parking Requirements

20. For every building or structure to be erected, enlarged, or changed in use off-street parking located within the same lot as the use and having unobstructed access to a public street shall be provided and maintained in conformity with the following Schedule:

| Type of Building | Parking Required |
|--|--|
| a. A dwelling containing four (4) or fewer dwelling units | One (1) parking space for each dwelling unit |
| b. Boarding and Bed and Breakfast establishments | One (1) parking space per two (2) boarders or overnight guests |

| Handicap access | Any yard | To the lot line, provided any required access is not obstructed |

Public and Private Utilities

22. Public and private utilities shall be permitted in any zone provided that such use conforms with the applicable lot standards of that particular zone.

Public Uses Permitted

23. Government buildings and facilities (including fire and police stations) shall be permitted in any zone (except the Open Space (O-1) Zone) provided that such use conforms with the applicable lot standards of that particular zone.

Restoration to a Safe Condition

24. Nothing in this By-law shall prevent the strengthening or restoring to a safe condition of any building or structure, provided in the case of a non-conforming use the provisions of the *Planning Act* shall prevail.

Side Yards on Corner Lots

25. Notwithstanding anything else in this By-law, on a corner lot in any zone, no part of any

building or accessory building shall be erected closer to the lot line of the flanking street than 25 feet.

Temporary Uses and Structures Permitted

26. Nothing in this By-law shall prevent uses and structures incidental to construction such as a construction camp or other such temporary work camp, a tool shed, scaffold, or similar building incidental to construction providing that the uses or structures are removed from the site within 14 days after completion of the construction project and provided a development permit has been issued.

27. Nothing in this By-law shall prevent uses and structures erected for special occasions and holidays provided only that no such use remains in place more than 14 consecutive days. A development permit shall not be required.

28. Nothing in this Bylaw shall prevent uses and structures erected for the sole purpose of selling seasonal fishery or agriculture related produce or products at the place of residence, provided that no such use remains in place for more than 30 consecutive days beyond the closing of the fishery or agriculture seasons. A development permit shall be required for such uses.

Truck, Bus and Coach Bodies

29. No trucks, bus, coach or street car body, or structure of any kind, other than a mobile home or dwelling unit erected and used in accordance with this and all other By-laws of the Municipality, shall be used for human habitation within the Port Hood Planning Area, whether or not same is mounted on wheels.

Lots within the Well Head Protection Zone

30. Notwithstanding any other part of this By-law, areas within the Well Head Protection Zone as identified on Map 2 shall be restricted from the following uses:

- a) no new development permits shall be issued for senior citizen homes, nursing homes, churches, cemeteries, community centres, schools or other institutional uses;
- b) no new development permits shall be issued unless the lot is located on a section of street which is serviced by a central sewer system;
- c) the installation of new underground petroleum storage tanks, or above ground storage tanks in excess of 200 gallons shall be prohibited; but shall not include the replacement of existing tanks;
- d) the commercial storage of pesticides, biocides, paints or other hazardous liquids shall be prohibited;
- e) the storage of fuel trucks shall be prohibited; and

f) the operation of a home occupation involving the application of rust inhibitors or similar petroleum based compounds or finishes shall be prohibited.

One Additional Lot without frontage

31. In addition to the frontage requirements found elsewhere in this By-law, an area of land existing at the effective date of this By-law shall be eligible for one additional lot where:

a) each lot has a minimum of 6.1 metres (20 feet) of frontage on a public or private street; or

b) each lot is served by an easement for right-of-way and access which has been clearly granted by deed, registered in the Registry of Deeds for this Municipality, with a minimum width of 6.1 metres (20 feet), and where the portion of that right-of-way easement crosses the railway right-of-way, a license for right-of-way and access from the railway shall be sufficient.

PART 7 - SIGNS

General

1. Where this part is inconsistent with the regulations respecting advertising signs on or near public highways made or administered by the Province of Nova Scotia Department of Transportation and Communications the more restrictive regulations shall apply.

2. No person shall erect a sign without first obtaining a development permit from the Development Officer and no permit to erect a sign shall be issued unless all the sign provisions of this By-law are satisfied.

Safety and Maintenance

3. Every sign and all parts thereof, including framework, supports, background, anchors and wiring systems shall be constructed and maintained in compliance with the building, electrical and fire prevention by-laws.

4. All signs and all parts thereof shall be kept in a good state of repair and maintenance.

Limit on Number of Signs

5. Notwithstanding anything else in this By-law, not more than two (2) signs may be erected on any premises at any one time provided that:

a) a double-faced sign shall count as a single sign;

b) signs enumerated in Section 4 clauses "a" to "h" inclusive, "Signs permitted in

all Zones" shall not be counted in calculating the total;

c) not more than one (1) ground sign shall be permitted on any one lot except in the case of a service station located on a corner lot where a maximum of two (2) ground signs shall be permitted and a limit of three (3) signs in total may be erected on a corner service station lot;

d) not more than one (1) facial wall sign shall be permitted for each business premise;

e) not more than one (1) projecting wall sign shall be permitted for each business premise; and

f) each business premise shall not have both a projecting wall sign and a facial wall sign.

6. For the purposes of this section, where a multiple tenancy building is occupied by more than one (1) business, each business area shall be considered as separate premises.

Signs Permitted in All Zones

7. Notwithstanding signs which satisfy the provisions of Sections 9, 10, 11 and 12 of this Part, the following additional signs are permitted in all zones:

a) Signs identifying name and address of resident, and of not more than 2 square feet in sign area;

b) "No trespassing" signs or other such signs regulating the use of a property, and of not more than 2 square feet in sign area;

c) Real estate signs not exceeding 5 square feet in sign area in a residential zone and 15 square feet in other zones, which advertise the sale, rental, or lease of the premises;

d) Signs regulating or denoting on-premises traffic, or parking or other signs denoting the direction of function of various parts of a building or premise provided that such signs are less than 5 square feet in area;

e) Signs erected by a governmental body, or under the direction of such a body, and bearing no commercial advertising, such as traffic signs, railroad crossing signs, safety signs, signs identifying public schools, public election lists;

f) Memorial signs or tablets and signs denoting the date of erection of a structure;

g) The flag, pennant, or insignia of any government or of any religious, charitable, or fraternal organization; and

h) A sign having an area of not more than 50 square feet incidental to construction and within the area designated for such purposes.

Signs Prohibited in All Zones

8. Notwithstanding signs which do not conform with the provisions of Sections 9, 10, 11 and 12 of this Part, the following signs shall not be permitted in any zone:

- a) Signs which incorporate in any manner any flashing or moving illumination which varies in intensity or which varies in colour and signs which have any visible moving part, visible revolving parts or visible mechanical movement of any description, or other apparent visible movement achieved by electrical pulsations or by actions of normal wind currents;
- b) Roof signs;
- c) Any sign or sign structure which constitutes a hazard to public safety or health;
- d) Signs which by reason of size, location, content, colouring or manner of illumination obstruct the vision of drivers, either when leaving a roadway or effectiveness of any traffic sign or control device on public streets and roads;
- e) Any sign which obstructs free ingress to or egress from a fire escape door, window, or other required exit way;
- f) Signs not erected by a public authority which make use of words such as "STOP", "LOOK", "ONE WAY", "DANGER", "YIELD", or any similar words, phrases, symbols, lights, or characters in such manner as to interfere with, mislead, or confuse traffic along a public road;
- g) Any sign which no longer advertises a bona fide business conducted, or a product sold;
- h) Signs on public property or public right-of-way unless erected by a governmental body, or unless required to be so located by order of a governmental body or unless specially permitted by Council, but no sign located on public property or a public right-of-way shall bear any commercial advertising;
- i) Signs not erected by a public authority which are located at or near sharp road curves or below the crest of a steep road grade;
- j) Signs painted on, attached to, or supported by a tree, stone, cliff or other natural objects;

l) Searchlights, pennants, spinners, banners, and streamers except for occasions such a grand openings, county fairs, public festivals, exhibitions, and similar occasions; and

m) Signs not related to any business or use located on the lot or premises.

Facial Wall Signs

9. Notwithstanding Section 12 of this Part, no facial sign shall:

a) Cover more than 1 square foot per 0.25 feet of the wall on which the sign is affixed with proportional allocation for each business premises in case of multiple occupancy buildings. In no case, however, shall the total area of facial wall sign for each business premises exceed 100 square feet;

b) Extend above the top of the wall upon which it is placed; and

c) Extend beyond the extremities of the wall upon which it is attached.

Projecting Wall Signs

10. Notwithstanding Section 12 of this Part, no projecting wall sign shall:

a) exceed 20 square feet in sign area;

b) project more than 6 feet from the wall upon which it is attached;

c) project over a public right-of-way;

d) project above the eaves, parapet, or roof line of a building;

e) be erected below a height of 10 feet or above a height of 15 feet above grade; and

f) have a sign face dimension which exceeds 5 feet.

Ground Signs

11. Notwithstanding Section 12 of this Part, no ground sign shall:

a) exceed 25 square feet in sign area on a single face sign or 50 square feet of sign area for both faces combined;

b) exceed a height of 25 feet from the grade level to the highest part of the sign;

c) extend beyond a property line or project over public right-of-ways, other adjoining lands, or any driveway or parking space;

d) be set back less than 5 feet from any street line, common lot boundary,

driveway, aisle or parking area;

e) have more than one sign on the supporting structure; and

f) exceed 10 feet for any sign face dimension.

Signs in a Residential Zone

12. Unless otherwise specifically indicated in this By-law, no sign in any Residential Zone shall exceed 2 square feet in sign area or be employed for commercial advertising or exceed 5 feet in height in the case of a ground sign.

Temporary Signs

13. Notwithstanding Part 7, Section 2, a development permit is required for temporary signs provided they are on display for a period not exceeding thirty (30) days.

PART 8 - RESIDENTIAL URBAN (R-1) ZONE

1. No development permit shall be issued in a Residential Urban (R-1) zone except for one or more of the following uses:

17. **Dwelling, duplex** means a building containing not more than two (2) dwelling units placed one above the other.

18. **Dwelling, converted** means a building converted to contain up to four (4) dwelling units.

19. **Dwelling, multiple family** means a dwelling which contains 4 or more dwelling units.

20. **Dwelling, semi-detached** means a building that is divided vertically into two dwelling units each of which has an independent entrance.

21. **Dwelling, single detached** means a building containing one (1) dwelling unit but does not include a mobile home.

22. **Dwelling unit** means one or more habitable rooms designed or intended for use by one or more individuals as an independent and separate housekeeping establishment in which separate kitchen and sanitary facilities are provided for the exclusive use of such individual or individuals, with a private entrance from outside the building or from a common hallway or stairway inside the building.

23. **Existing** means existing as of the effective date of this By-law.

24. **Fishery related use** means any use associated with the fishery including changing and rest areas and canteen facilities.

25. **Floor area**

a. With reference to a dwelling means the maximum floor area contained within the outside walls excluding any private garage, porch, verandah, sun room, unfinished attic or basement and cellar or other room not habitable at all seasons of the year.

b. Commercial floor area means the total usable floor area within a building used for commercial purposes but excludes washrooms, furnaces and utility rooms, and

common malls between stores.

26. **Front yard** means a yard extending across the full width of a lot between the front lot line and the nearest wall of any building or structure on the lot; a 'minimum' front yard means the minimum depth allowed by this by-law of a front yard on a lot between the front lot line and the nearest main wall of any main building or structure on the lot.

27. **Height** means the vertical distance of a building between grade and:

- a. The highest point of the roof surface or the parapet, whichever is the greater of a flat roof
- b. The deck line of a mansard roof; or
- c. The main level between eaves and ridges of a gabled, hip, gambrel or other type of pitched roof;

But shall not include any construction used as ornament or for the mechanical operation of the building, a mechanical penthouse, chimney, tower, cupola, or steeple.

28. **Hotel** means a building or buildings or part thereof on the same site used to accommodate the travelling public for gain or profit, by supplying them with sleeping accommodation with or without meals but generally without private cooking facilities.

29. **Institution** means a building or part of a building used by an organized body or society for promoting a particular purpose with no intent or profit such as churches, community centres, hospitals, homes for special care, senior citizen homes and government buildings but shall not include a private club.

30. **Loading space** means a vacant area of land provided and maintained upon the same lot or lots upon which the principal use is located and which area:

- a. Suitable for the temporary parking of one commercial motor vehicle while merchandise or materials are being loaded or unloaded from such vehicle, and such parking shall not be for the purpose of sale or display.
- b. Is not upon or partly upon any street, or highway; and
- c. Has adequate access to permit ingress and egress by means of drive-ways, aisles, manoeuvring areas or similar areas, not part of which shall be used for the temporary parking or storage of one or more motor vehicles.

31. **Lot** means parcel of land described in a deed as a lot or as shown as an approved lot on a registered plan of subdivision.

32. **Lot area** means the total horizontal area within the lot lines of a lot.

33. **Lot frontage** means the horizontal distance between the side lot lines, such distance being measured perpendicularly to the line joining the middle of the front lot line with either the middle of the rear lot line or the apex of the triangle formed by the side lot lines and at a point therein equal in distance to the minimum applicable front yard. In the case of a corner lot with a daylighting triangle the exterior lot lines (street line) shall be deemed to extend to their hypothetical point of intersection for the purpose of calculating the frontage.

34. **Main building** means the building in which is carried on the principal purposes for which the lot is used.

35. **Mobile home** means a single detached unit, designed for transportation after fabrication, on its own wheels, and which arrives at a site where it is to be occupied as a dwelling complete and ready for occupancy, except for minor and incidental unpacking and assembling operations, and which is supported on site by wheels, jacks, blocks, or a permanent foundation and which may be connected to utilities and sanitary services. A mobile home used as an addition to another building (whether to increase the number of dwelling units or just increase the floor are) is still a mobile home.

36. **Motel** shall mean the same as hotel, but may include private cooking facilities.

37. **Municipality** means the Municipality of the County of Inverness.

38. **Nursing home** means a building wherein nursing care room and board are provided to individuals incapacitated in some manner for medical reasons but does not include a hospital.
